ILLINOIS STATE UNIVERSITY
EXHIBIT FS-9.1: PAINT COLORS
Effective February 5, 2025

I.   PAINT:

A. See *Illinois State University Facilities Standards* for additional information regarding paint, including manufacturers.

   1. Since all the paint manufacturers can color match, only one manufacturer's specific color is listed; however, all the listed manufacturers should be specified.

B. Following is a list of standard ISU paint colors. When designing, ISU prefers that one of these colors be utilized if it falls in the color category being proposed instead of introducing a color just slightly different. Note, other paint colors not listed can be utilized; however, if the paint color is close to one that is listed, please use one of the listed standards.

   1. ISU Paint Colors:

      a) SW 2910 – Primary Red (ISU red; matches Pantone 186C)
      b) SW 6142 – Macadamia
      c) SW 6154 – Nacre
      d) SW 6232 – Misty
      e) SW 6238 – Icicle
      f) SW 6601 – Tanager
      g) SW 7037 – Balanced Beige
      h) SW 7064 – Passive
      i) SW 7065 – Argos
      j) SW 7067 – Cityscape
      k) SW 7069 – Iron Ore (matches Tarkett wall base #63 Burnt Umber)
      l) SW 7016 – Mindful Gray
      m) SW 7071 – Grey Screen
      n) SW 7072 – Online
      o) SW 7073 – Network
      p) SW 7074 – Software
      q) SW 7075 – Web
      r) SW 7626 – Zurich White

   2. Official ISU Red:

      Pantone #186C
      CMYK: 0C, 100M, 81Y, 4K
      RGB: 245R, 0G, 47B
      Hexadecimal: CE1126
